This is to request a continuance of the hearing in the above scheduled for Monday, February 2, 2009. Ms Hammonds does not object to the continuance and proposes the following schedule:

Assuming ORS files testimony:

ORS prefiled direct: Feb.10

Company rebuttal: Feb.17

ORS surrebuttal: Feb. 24

HEARING: March 3.

Proposed Order to David: March 10.

Commission votes March 18 so order can be issued March 19.

The proposed schedule is suitable to my client and me. Please let us have your thoughts. Thank you for your assistance in this matter.
